

IN ANOTHER LIGHT

BEYOND THE PORTRAIT

PARTICIPANT INFORMATION & BOOKING AGREEMENT

Kasia Guzik

Thank you for your interest in ***In Another Light: Beyond the Portrait***.

This is a contemporary fine art portrait project exploring identity, emotion and self-expression through creative photography. Every participant becomes part of a collaborative artistic experience, with selected portraits exhibited as part of the final exhibition.

The Experience

Each portrait session is individually designed around you.

Using natural or artificial light, shadow, reflections, fabrics, glass, projector and other creative elements, I will create a unique piece of photographic art that goes beyond a traditional portrait.

No modelling experience is required.

The aim is simply to create something authentic, expressive and timeless.
